Valued members of our community,

Enclosed is your Penndel-Middletown Emergency Squad subscription application for the July 2025-June 2026 period.

We are a private, nonprofit organization providing emergency ambulance services to Middletown Township and the Boroughs of Hulmeville, Langhorne, Langhorne Manor, and Penndel. We employ professional staff who are ready to respond 24/7/365 from our two stations utilizing up to six ambulances. Our annual operating expenses total more than \$3,000,000. These costs are only partially supported by insurance reimbursement and municipal assistance. Costs continue to outpace income growth making community support essential.

Your paid subscription can save you money as it provides a 50% discount on any out-of-pocket expenses related to emergency ambulance service provided by Penndel-Middletown Emergency Squad. If everyone pays a little now, it will go a long way towards us being ready for the future.

Protect yourself and your family today!

FREQUENTLY ASKED SUBSCRIPTION QUESTIONS

Q. Why should I become a subscriber?

A. Your subscription assures that Penn-del-Middletown Emergency Squad will have the staff, vehicles and equipment required to provide around-the-clock protection for you and your family in the event of an emergency. In addition, your subscription can save you hundreds of dollars as it provides a 50% discount on any out-of-pocket expenses related to emergency ambulance service!

Q. Do I need a subscription if I have health insurance?

A. Yes. Most insurance companies do not pay 100% of total ambulance charges. Your subscription provides a 50% discount on any out-of-pocket expenses, such as co-payments and deductibles, related to medically necessary emergency ambulance service to the closest appropriate facility. Keep in mind that non-subscribers are responsible for full payment of all applicable charges, which often can exceed \$1,000.00 per trip.

Q. How is Penn-del-Middletown Emergency Squad reimbursed if I am transported to the hospital?

A. In the event that you need ambulance service, Penn-del-Middletown Emergency Squad will submit a bill to your insurance company. Insurance payments are then applied to your balance. Once all insurance payments are applied, subscribers receive a 50% discount on any remaining out-of-pocket expenses for emergency ambulance service. The subscriber discount is applied no matter how frequently you require medically necessary emergency ambulance service.

Q. What should I do if my insurance company sends me a check for payment of services provided by Penn-del-Middletown Emergency Squad?

A. Recipients of service are required to forward any and all reimbursements received to Penn-del-Middletown Emergency Squad. Failure to do so will result in the termination of any subscription agreement and you will be held responsible for payment of all outstanding balances.

Q. Who is covered by a subscription?

A. Emergency medical care and transportation to a local hospital are provided to all residents of your household, whether we transport you from your home or elsewhere.
